ASIATIC

Development Berhad (34993-X)

Cover Rationale

The vast land bank and synergistic ventures undertaken have greatly spurred the growth of Asiatic Development Berhad. Today, **ASIATIC** is well recognised as one of the leading names in the plantation and property development sectors.

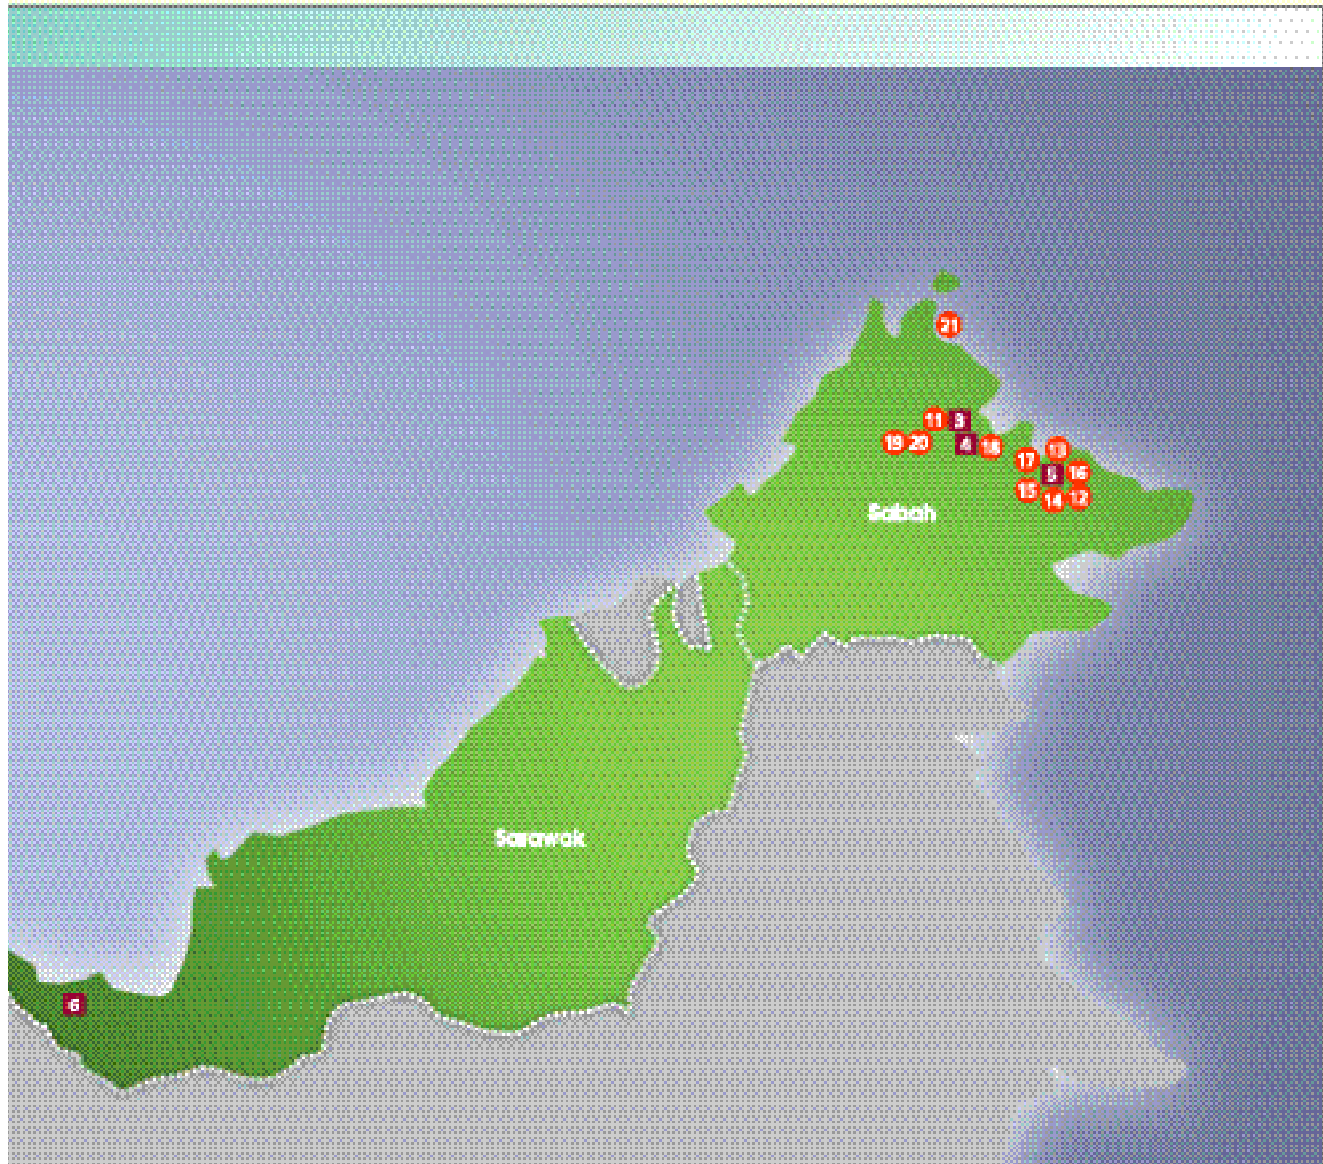

The name **ASIATIC** is highlighted to signify the strength of its corporate and brand name among business partners, the company's clientele and stakeholders. The light green base color is in accordance with Asiatic's operations and corporate vision, which is associated with nature and the land.
