### **ENVIRONMENTAL POLICY**

We are committed to ensure that all our operations are conducted in an environmentally-responsible and sustainable manner.

In fulfilling our commitment, we will be guided by the following principles:

- comply with all applicable laws and other regulations pertaining to the Environment;
- adopt suitable pollution prevention measures that will enhance the current practices towards sustainable development;
- set realistic goals and monitor progress to ensure continual improvement in environmental performance; and
- ensure that our stakeholders are aware of and share our commitment to responsible environmental stewardship.
